

# AGENDA

## ADVANCED AIR MOBILITY CAREER DAY: YOUR FUTURE IN FLIGHT MAY 12, 2021

VIRTUAL EVENT

### PACIFIC TIME

### TOPIC

### PRESENTER

#### NASA AERONAUTICS CAREER OPPORTUNITIES

[Join YouTube Live Stream](#) | [Ask Questions Here](#)

9:00 AM–9:20 AM

The Future of Aviation and the Next Generation Workforce

**Davis Hackenberg**

Advanced Air Mobility Mission Integration Manager

#### CAREER TRACKS BREAKOUT

Choose between three different sessions to learn more about aeronautics careers.

##### Research and Engineering

Enables future aerospace missions and new technological capabilities

[Join YouTube Live Stream](#)  
[Ask Questions Here](#)

##### Flight Operations

Fabricates, maintains, modifies aircraft for flight testing

[Join YouTube Live Stream](#)  
[Ask Questions Here](#)

##### Project Support

Supports execution of project activities

[Join YouTube Live Stream](#)  
[Ask Questions Here](#)

9:25 AM–9:35 AM

AEROSPACE ENGINEER

FLIGHT  
OPERATIONS ENGINEER

PROJECT MANAGEMENT

9:35 AM–9:45 AM

COMPUTER ENGINEER

TEST PILOT

ATTORNEY/ADVISOR

9:45 AM–9:55 AM

HUMAN FACTORS  
RESEARCH ASSOCIATE

TECHNICIAN

SOCIAL MEDIA

9:25 AM–10:00 AM

QUESTIONS

QUESTIONS

QUESTIONS

#### HOW THE DIGITAL GENERATION WILL IMPACT AVIATION

[Join YouTube Live Stream](#) | [Ask Questions Here](#)

10:30 AM–10:45 AM

Your Future in Flight

**Davis Hackenberg**

Advanced Air Mobility Mission Integration Manager

10:45 AM–11:05 AM

How the Digital Generation will Impact Aviation

**NASA / Educator / Students**

11:05 AM–11:15 AM

NASA Intern Experience

**Kassidy McLaughlin**

Instrumentation and Integration Engineer

11:15 AM–11:25 AM

NASA STEM

**April Lanotte**

STEM Integration Lead  
Aeronautics Research Mission Directorate

11:25 AM–11:30 AM

Closing

**Davis Hackenberg**

Advanced Air Mobility Mission Integration Manager
